It's Spring
Spring is here. I'm sure of that
so put on your Easter hat.
Pack your winter duds away,
Spring is here. It came today.

Winds are warm and sun is bright,
Birds are back, Oh, What a sight.
Streams are gushing over rocks
Wild geese honking in their flocks.

Crocus buds have braved the cold,
Tulips shoot up through the mould.
Muddy snowbanks start to run,
Forming puddles in the sun

Spring is here. How do I know?
'Cause the robin told me so.
