## Whew! Let's Get Caught Up!

\*From February to April over 400 visitors took a peek at the *Underwear & Unmentionables* exhibition that also included 3 fascinating presentations; Birthing & What it means to women, A Well Dressed Lady of 1867, and Loincloth to Briefs-The Big Cover-up.

\*It was a Grand success! Feasting on a wonderful meal, listening to live music, browsing the silent auction and learning the history of "The Grandest Hotel"; more than 100 people attended the annual *Heritage Dinner* on Feb. 22.

\*Thanks fashion shoppers for coming to our *4<sup>th</sup> Annual Vintage Clothing Sale* and a big thank you to Vicki Racey for sharing her passion in support of the museum.

\*At the end of April, bargain hunters bought themselves something unique at the *3<sup>rd</sup> Annual "Junk and Disorderly"* sale AND more importantly supported their local museum!

\**The Paranormal Show*, presented by Scott McClelland, took audience members on a mysterious dark and stormy journey at the museum on May 4.

## Fall Fun!

*Paddles Up! 125 years of the Carleton Place Canoe Club on now to Oct. 6<sup>th</sup>.*

Over the summer we have heard stories: "I was a paddler when I was a kid!" "I'd watch my dad or brother race." "It was good fun at the regatta parties!"; "My Great Grandfather was Jack "Baldy" Welsh. He told many paddling tales and always wore a bow tie!" and "I go to canoe camp."

On Aug. 8 Former Olympian John Edwards presented a memory filled talk of the history of the canoe club and his Olympic adventures. Come & tell us your paddling story before the exhibit is over.

## Manager's CORNER

### Doors to the Past!

Summer visitors to the museum have been entering through our new front doors!

Modeled on the doors in photo below of Victoria School from 1949, they are providing much needed light to our front hall and will keep out the cold west winds in the winter!

We would like to thank the Town of Carleton Place for the use of our beautiful stone building and their continued upkeep of this 146 year old town treasure. Thank you!

# SUPPORTING Your Museum

## Meet our 2018 Summer Student

Hello, my name is Cole Plewes and I was the museum's summer student. I am currently enrolled in the Applied Museum Studies program at Algonquin College, and will be starting my second year in September. I love working in museums, especially small museums, because of how much there is to learn about local history

not only from the artifacts, but also from the stories of the people who come by to visit. I really enjoyed my time here at the museum, and it was hard to leave in September. Cole's position was funded by Young Canada Works in Heritage Institutions.

## THE WISH LIST

- ◆ Copy paper - anything helps!
- ◆ Garbage tags
- ◆ Postage stamps
- ◆ Sturdy coat racks on wheels

## CP 200th - 2019

### What's Up!

**2019 is going to be an exciting year in Carleton Place as we celebrate 200 years as a Community!**

The first families to settle in what is now the town of Carleton Place arrived from Ireland and Scotland in 1819. The Carleton Place 200th Committee is hard at work organizing events, displays, parades and concerts to honour this anniversary.

Mark the week of July 26 to August 4th 2019 on your calendar as "Come Home to Carleton Place" week! The Historical Society and the Museum will be busy that week, taking history to the people at the many planned events throughout town. You'll see us all over town all year long, in fact, with our pop – up CP200th displays!
