40 Years of History!
40th Anniversary of the Historical Society

The Historical Society and the Museum began as an idea, and has grown into a vibrant, integral part of our community. In this, our 40th year, we plan to look back and share our stories and our progress through the decades.

Visitors to our summer exhibit will learn about our first physical sites, our growing collection, and most importantly, the local people who had a vision, did the work, and helped us get this far!

To acknowledge this milestone, the Historical Society is planning to look back, research and record our own history. We plan to re-ignite our passion and connect our own past to our communities' future!

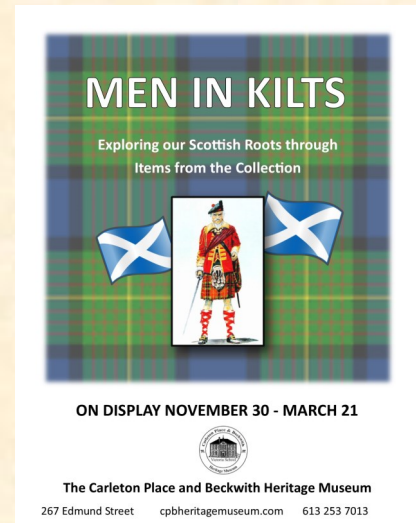

Have you served on the Society's Board of Directors? Volunteered in any way? If so, we want to hear your memories, see your photos, and record them for the future!

Contact the museum at 613-253-7013 or by email at cpbmuseum@outlook.com and be a part of our collective past!

A Picture is Worth...

... so much to the heritage hunters in our community. Identifying buildings and businesses, signs and street corners, family homes and heritage architecture can become addictive!

We hope that by year's end, visitors to our website will be able to access our extensive photographic collection in the comfort of their own homes.

Still hoping for...

... *any* photos of our beautiful Town Hall under construction!

*2019 was a busy
year!!*

as we celebrated 200 years of community in what is now Carleton Place!

Parades, Picnics, Doors Open, Car Shows, Carleton Junction, Exhibits, the Museum on Wheels.....

The Museum was honoured to play a role in all town events and to increase awareness of our local history! Thanks to all who came out to celebrate!
