Meet Our Summer Staff!

Welcome!

"Hello, my name is Abby Lanouette! I am so excited to be working at the Carleton Place and Beckwith Heritage Museum for the summer. I am a recent college graduate with a diploma in Comedy Writing and Performance, but I will be heading back to school to study Scriptwriting.

My family has been in Carleton Place for generations, and I have always been interested in learning more about the town's history. I believe that there is a story in everything, and I cannot wait to see what things I learn this summer and to share them with all of you."

Meet Shaelyn and Abby, our summer staff for 2023:

"Hi, I'm Shaelyn Ryan, and I am a returning student at the museum! I grew up in Carleton Place and first volunteered at the museum in 2016, then worked as a summer student in 2017 before leaving to complete an undergraduate and a master's degree in history at Queen's University. My master's thesis was on disability history in Canadian museums and archives, and my hope for the future is to continue working in museums.

I am so excited for the CPHS exhibit this summer and to learn more about the history of the school and the town, as well as participating in community events. Outside of work, I enjoy reading, writing, hiking, and 1960s and 70s music and television."

[Check out Abby's series of "Carleton Place Crime Chronicles" on our youtube channel](#)

Shaelyn is a published author! All three of her books are available in our gift shop!
